Vacancy Announcement

Energy Management Internship Bonn - Germany

The **JANERO** Consultancy GmbH in Germany, plays a strategic role in Africa with regard to Business development and project facilitation, capacity building, and promoting business investments. **JANERO** develops and executes investment strategies, requiring close communication with the developers of Renewable Energy companies. The Energy development in Africa, gives companies especially, small and medium sized companies, the chance to establish models to further develop their businesses by procedures that facilitate extracting the market value for fruitful business future.

The JANERO Consultancy is seeking an intern for its Energy Projects Development Department for a period of at least three months, on an ongoing basis through 2015. The intern will assist in the following:

- develop, implement and apply models for project execution for renewable energy companies in both Europe and Africa;
- Research and facilitate European companies interested in entering the African market;
- Support the business development team in the day-to-day management of client activity;
- Assisting companies at various RE events, providing excellent networking opportunities;
- Researching market activity and new client opportunities; and
- Compiling data for prospective and existing clients.

Preferred Qualifications:

- Minimum Bachelor's degree or equivalent in sciences, Engineering, Geography, Energy;
- Interest in sustainable business practices;
- Team player with excellent communication skills;
- Ability to be flexible and multitask, comfortable in a fast-paced environment;
- Strong analytical and numerical skills;

- Fluent in English and able to communicate in German.
- Ability to cope with limitations;
- Ability to work independently and team orientated, collaboratively.
- **Strong interpersonal skills**
 - Practical work experience in project administration, ideally in public support in the African business field would be an asset;
 - Interested in high-level trade-policy-interaction;
 - Motivated and outgoing; possesses a high degree organizational skills and team skills in a collaborative and results-oriented manner.
 - Capable of handling work related pressure, very resilient and flexible.
 - Willingness to work in a culturally diverse environment and impeccable conduct towards our partners and guests.
